A section can be between 1cm and 3cm in length.  
A month-by-month analysis is for sections of 1cm in length.  
For more than 3 sections, multiply the charges of ONE section  
Note: If Amphetamines or Methamphetamines are requested,  
BOTH will be tested and charged.

**2. ALCOHOL TESTING:** £45 hair preparation, plus  
£80 per drug, per section

**3. EXPERT WITNESS STATEMENT:** £175

*An Expert Witness Statement is a full report detailing the sample received, the analysis requested, the results and an interpretation of those results. The report is a toxicological review and not a medical review and proved by a registered Law Society Expert Witness. If an Expert Witness Statement is not requested, clients receive a certificate of analysis listing the drugs analysed along with any positive results reported in nanograms per milligram (ng/mg) and no interpretation. If an Expert Witness Statement is subsequently requested the cost will be £210 plus VAT.*

**4. SAMPLE COLLECTION SERVICE:** £95 for the first sample collected, plus  
£25 for each additional sample collected at the same time

*Collections are performed by fully trained Collection Officers so that commonly occurring errors during the Chain of Custody sample collection do not compromise the legal process.*
